## Education

○ Pratt Institute, Brooklyn, NY  
Industrial Design | Product Design  
Master's in Industrial Design (MID)

2023-2026

- Currently pursuing Master's in Industrial Design Spring 2024
- Graduate Assistant to Asst. Chair of the Department

○ MITID-ADT University, Pune  
Industrial Design | Product Design  
Bachelor's in Design (B. Des)

2018-2022

- I am a graduate from Maharashtra Institute of Technology Institute of Design (MITID, Pune)
- I specialized in Product Design (Industrial Design) and am pursuing my career in same.
- Class Representative for 3 years in a row
- Student coordinator for Placements & Training Department

## Experience

○ Design Intern at Makelab, New York

May 2024 - Aug 2024

- I collaborated closely with clients to thoroughly understand and meet their specific requirements. This involved creating detailed 3D models tailored to their specifications. Additionally, I conducted 3D printing and prototyping to bring these designs to life, ensuring they matched client expectations and needs.

○ Freelance Product Designer at DayaTani, India

February 2023 - June 2023

2023

○ CMF Designer at Fox My Box India, India

December 2022 - February 2023

2022

○ Freelance Product Designer at iThink Logistics, India

Aug 2022 - Nov 2022

2022

○ Industrial Design Intern at Bosch Siemens

Home Appliances Group India

2021

○ January 2022 - July 2022

- During my final year graduation project internship, I specialized in industrial design for home appliance products. My responsibilities included conceptualizing ideas, managing color, material, and finish (CMF) selections, creating 3D models and realistic renderings of products, prototyping and constructing physical mock-ups, and designing user interfaces and experiences. Additionally, I conducted extensive user and market research to inform product development.

2021

○ Product Designer at Webworx India

February 2021 - August 2021

## Achievements

Packaging Design featured on Packaging Of The World

MAY 2021

**A' Design Award Runner-Up**  
Nouveau Pro 3-in-1 Home Appliances Category

APRIL 2022
